§13–403.

- (a) To maintain an appropriate organization and to assist in instruction and training, the President of the United States may:
- (1) assign the National Guard to divisions, brigades, and other tactical units; and
- (2) detail officers from the National Guard or the United States Army or Air Force to command those units.
- (b) A commanding officer of a complete unit organized in the State may not be displaced under this section.
